November 20, 2022

To The Honorable Ronnie White,

I am writing this letter on behalf of my oldest brother Jared Diehl, who is six years older. Jared is a talented, kind-hearted, hard-working, and respectful person. I was happy to see Jared graduate college with a bachelor's degree in Computer Science from UMSL with honors in May 2021. He spent much time during his college years focused on school. When he was not working or at college, I frequently saw him studying, working on projects, and learning more about computer programming.

Jared and I enjoyed being competitive growing up, playing sports and games. I look forward to Jared's continued support and advice as I start at St. Charles Community College this spring. He has encouraged me to get a college education to acquire skills for the future.

I look to providing support for Jared in the future. Thank you for your time and consideration.

Sincerely,

Kyle Diehl
